I found out late yesterday afternoon that Northampton DC is going to need me today. The ADA wants me there at 8:30 so he can try to move it to trial first thing. He hopes that I will get on the stand around 10:30, so I should be available to you a little later in the day (by 11:30 or 12 if everything runs smooth). Very doubtful the case will plea, but you never know. If you need me, give me a call on my cell. Can't guarantee I'll pick up, but I'll check it as soon as I'm done (or earlier if the trial gets delayed for any reason). I hope this does not cause a problem. Thanks.

Hi all-

I just wanted to check in with the three of you and let you know that, besides being on-call for your cases, that I also have a Fall River Superior Court case which is suppose to start today. The ADA said that he will call me sometime today to let me know if/when I will be needed (there is still a chance it will be a plea), and I will let you all know what's going on with that case. I'm assuming that if I am needed it will be on Tuesday and will therefore not be an issue for you. Also, there is a slim chance that I will have a Springfield Superior Court case to deal with as it is going into the trial pool tomorrow, but I doubt it will actually start on Tuesday or Wednesday. Thanks.

ADA Russo: Comm v. [REDACTED] - Northampton District Court  
ADA Schmidt: Comm v. [REDACTED] - Springfield District Court  
ADA Bennett: Comm v. [REDACTED] - Springfield District Court
